Designing Communities To Inspire Holistic Living

At House of Hiranandani, customer delight is the core of our every project. It is our constant endeavour to integrate every family into an inclusive community.

Every township designed by House of Hiranandani is a perfect mix of creative imagination, fine craftsmanship and artistic designs. We associate with the best of brands to help us deliver homes that inspire a good life and harmonious living. This commitment of ours leads us in transforming skylines and creating landmarks.

JOIN THE JOURNEY TO A GREENER TOMORROW!

With its multiple green initiatives introduced in all the projects, House of Hiranandani prioritises sustainability and nature preservation. We have undertaken the restoration of flora & fauna like that of the Kavesar Lake at Hiranandani Estate, Thane.

We are now advancing our commitment to environmental responsibility to new heights. Introducing our sustainability initiative – TOMORROW MATTERS. A strategy through which we aim to create a better tomorrow for generations to come by aligning our sustainability goals for the next 5 years.

**Tomorrow
matters**
Sustainability initiative by House of Hiranandani

ENERGY SMART

Explore eco-friendly homes with energy-efficient designs, maximising sunlight and ventilation. Our projects feature smart lighting, solar panels, aiming for 70,000,000 kWh of renewable energy and 100% EV charging provision in parking.

GROW GREEN

Embrace nature in our communities with lush green spaces and tree-lined avenues. Tomorrow matters, and we pledge to plant 25,000 trees in the next 5 years, contributing to biodiversity conservation.

WASTE WISE

Join our sustainability initiative! Our waste management minimises environmental impact by focusing on recycling plastic and converting wet waste into organic compost. Our goal is to responsibly handle and recycle 18,000 kg of plastic in 5 years while creating over 34,00,000 kg of compost through efficient waste management practices.

ECO ENLIGHTEN

Empower yourself for a sustainable future with Tomorrow Matters. Join our educational campaign through workshops and webinars, aiming to equip 100,000 individuals with actionable knowledge to reduce their carbon footprints in the next 5 years.

Embrace a lifestyle that echoes a joint commitment to a sustainable and responsible future. Welcome to a home where your choices today shape a better tomorrow for all.
