MATUNGA (E)

— A KALPATARU PROJECT —

M A T U N G A (E)

There are two kinds of people in the world. Those,
who live a life that has been passed down
to them — A story imbibed in the antique clock, the
vintage painting or perhaps all the experiences,
to be relived. Then there are those, who wish to pass
down not just a life, but a way of living it. A lifestyle
which is more precious than any family heirloom.
They are the ones who live life on their terms and strive
to design every aspect of their life, their way.
This address is for them. Kalpataru presents Matru Ashish.
A home where you don't settle for what
everyone already has. You make way for only
one kind of luxury, yours.

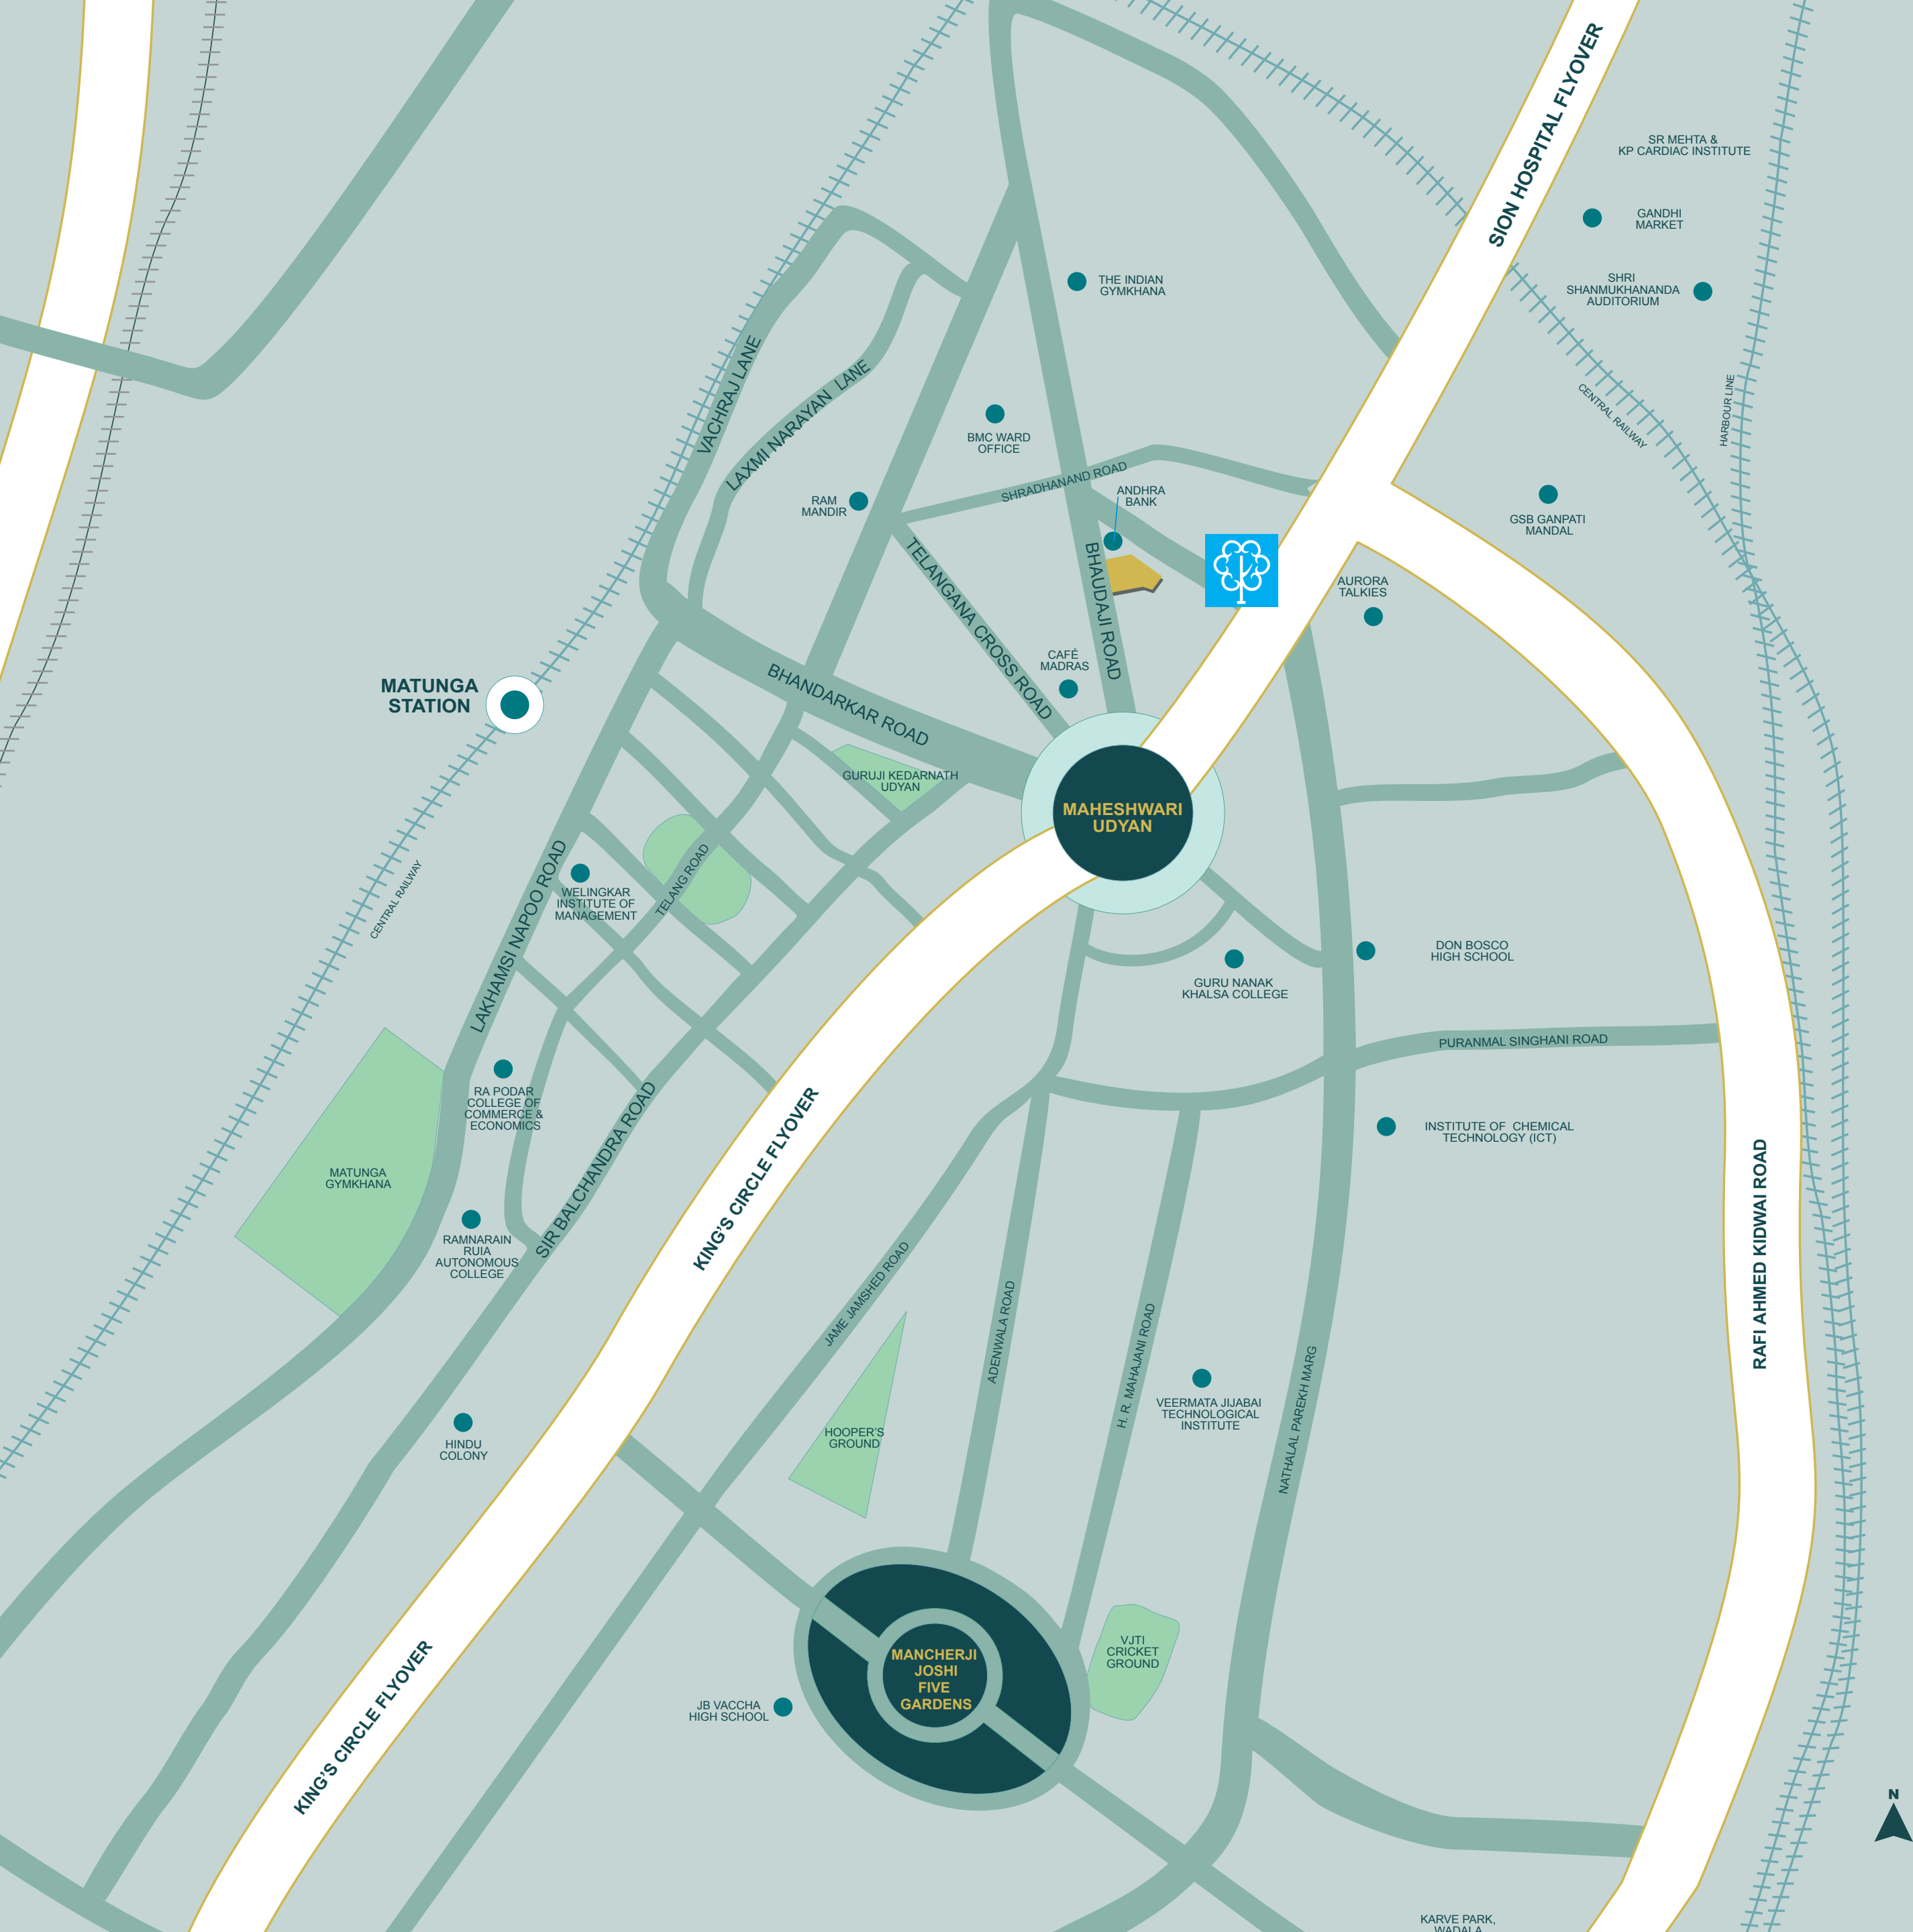

LUXURY, DEFINED BY YOU.
